Run No. 2091 – The West Coast / Bully “Monthlies”

Preamble:

Clear skies made for a cold night and the Hare was kept busy shepherding the troops into the correct carpark prior to the Run.

The West Coast guys were heard lamenting the lack of numbers from their end but ultimately the count was Bully 11 (or 10 plus Visitor Dikvan) and West Coast 9.

The Brief said it was on chalk and flour and that it approx. 7.5 k. long. Bloo had a map to guide the Walkers. The Runners were promised two Drink Stops and the Walkers one.

The Run / Walk:

The first half of the Walk was unmarked and Bloo lead us through Carine Open Space before crossing into the streets of Duncraig. From here we reached the proposed Drink Stop Site only to be faced with an empty carpark.

We decided to press on but shortly thereafter Nostril got a call on his mobile from the Hare asking where we had got to. Nostril back-tracked but most of us were out of sight.

On we plodded and reached Home in 45 minutes.

The Rundown:

Proceedings opened with a one-minute silence in remembrance of our fallen comrade.

Basil Brush lead the commentary on the merits of the Run and felt that it was well done and well recced. He gave it a score of 9.85, a number owing a lot to the fact of Lollies and Chips being provided at the first Drink Stop. The Runners were back just under the hour.

Bitch of the Week:

Given that it was West Coast's Run their Award took precedence and the recipient was taken to task for disrespecting Hash Property by dropping the Hash Horn.

Charges:

Tampax charged Alias for "Which Carpark?"

Dikvan had a go at the Webmaster for "Venue tba" not knowing that he was actually having a go at the GM. In the spirit of fair play the charge was carried but Blank got to drink as his proxy.

Visitors / Returnees:

Dikvan was formally welcomed.
