Run No. 2093 – Diesel's Deluge

Preamble:

We contemplated our third washout in a little over a month as we gathered at the 7 Mile Inn in appalling conditions. Diesel was prepared however and had brought his caravan along so that we could use the awning as shelter from the elements. Watching the boys set it up was well worth the price of a ticket.

The Run:

One Member who shall remain nameless, but who uses an Alias and barracks for Richmond, tried to convince us to boycott the Run and adjourn to the Pub. He was out-voted however and we set off in pursuit of Bloo who was armed with a Map. Clear skies as we set out but a steady drizzle ensued 5 minutes into the Run. We opted for a circuit of the block in what amounted to a 20 stroll.

The Rundown:

In true Hash Spirit, having all been there and had Runs ruined by inclement weather, comments were favourable and the GM saw fit to award an 8.5.

We dispensed with the normal order of business and after the Raffle draw and Song we decamped to the Pub.
