Run No. 2097 – The Food Rescue

House

Preamble:

Although we were outnumbered by about ten to one the six Bully Boys who fronted for this joint Run with Perth gave a good account of themselves.

Prior to the off we were given an insight into the whys and wherefores of the Food Rescue operation and encouraged to sign on as volunteers. This was followed by the Run Brief and we set off at 6.05.

The Run:

Bloo got caught up with the Runners and wasn't sighted until we got back to the bucket. The Walkers chose to follow one of the Perth guys who was armed with a map and cunningly kept us in touch with, but just inside, the arc of the Runners.

The territory was good and flat and took us first past Signal Hill Bushland before heading East to Wright street. From there we skirted the Shire Offices and Leisure Centre before turning for Home. All up 55 minutes.

## The Rundown:

Perth's GM opened proceedings by offering us a formal welcome and asking us to keep the 22 February 2018 free in order to help celebrate their 2500<sup>th</sup> Run.

The Hares were anointed, a new member christened (Vespa who rides a Harley) and charges levied. Bully managed to come out unscathed but Tampax sailed a bit close to the wind as Duke kept up a constant yapping and threatened to disrupt the Circle.
