Run No. 2107 – Melbourne Cup Eve.

### **Preamble:**

Gurkha's Nepalese Restaurant was the venue and West Coast out-numbered us 2 to 1. Pyro was stuck in Margaret River with car trouble and a couple of others, who indicated via a headcount the previous week that they would attend, failed to front. The runners set off about 5 minutes late at 6.20 and the walkers at 6.28. Alias arrived on the stroke of 6.30 and played catch up.

### **The Run:**

Diesel headed straight for the drink stop and Elvis took a slightly longer route. The rest of us set off with Bloo who had a map of the walk. Before long it was just Bloo and Fitzall left to complete the course as the others made their own arrangements. Four of us got to the drink stop.

### **The Rundown:**

West Coast gave themselves a good wrap.

### **POW:**

Not awarded.

## **Charges:**

Various West Coasters were called to account, and when asked to provide a Down Down Song, Tampax and Diesel were unimaginative in offering up the old standard "Here's to ...." much to the amusement of the West Coast Boys who have a variety of numbers.

## **Mash:**

The tucker was top notch .....appetisers in the Circle and the main meal consisted of a variety of dishes washed down with beer and wine. Initially we were a bit taken aback by the amount we were asked to chip in but the value was certainly there. Bloo who didn't stay was well-pleased with his takeaway sack.

## **General Business:**

Bully had nothing to offer.

## **Raffle:**

Can't remember who won.

## **Sweep:**

Alias won 2<sup>nd</sup> Prize (\$30) in the Cup Sweep.

## **Song:**
