Run 2018 Rooted @ City Beach

Preamble:

Once upon a time in Noddy Land inhabited by the rich and infamous Rooted. Bully Hash had a run attended by a few hardy members. The Hare advised that we would be on chalk and there was a hill and a drink stop.

The Run:

The pack decamped in a southerly direction along smoo boulevard only to find a definite lack of smoo. We had a few false trails and checks before crossing Challenger Parade and up Oceanic Drive and into the inner sanctum of City Beach. It was at this point we found the hill and Bloo commented at a check that surely Rooted would not takes up any higher and so checked out the lower ground and Orig the higher ground. As it turned out the cunning Orig was on the money and found trail. We followed trail and came across Rooted's new mansion where there was a variety of cold ales awaiting those that had decided not to short cut back to the bucket. Thirsts suitable quenched we head back down to home via the long route.

The Rundown:

Bloo was suitably impressed with the effort, praised the hare's setting ability and scored the run a 7.0

Blank liked the new area (even though we have been to this location previously) and awarded an 8.5

Orig decided he liked the maid at the drink stop and gave the run a 9.5

The GM weighed up the scores and decided to stick to the middle ground and settled on a score of 8.5

Prick Of The Week

The VM first admonished Bloo for abandoning the trail after the drink stop leaving Blank to find his own way back to the bucket. The next target was Rooted for advising the location of the run was in City Beach, when in fact it was at Floreat Beach. Those that new the area pointed out that Floreat Beach is in fact located in the suburb of City Beach. Not to be deterred by facts, Blank awarded the phalanx to Rooted.

Charges

Orig – Diesel Not following his instructions as to the location of the car park. The RA questioned Orig as to who was driving and who was navigating. The charge was reversed because of poor navigation on the part of Orig. DD - Orig

RA – Blank Total disrespect for Hash property. Blank had the dummy hanging from the horns of his VM helmet . Passed DD – Blank

Alias on Orig Poor navigation skills in that Alias was nearly run over. The RA decided that it was not poor navigation skills, but poor driving skills leading to the near miss. DD – Diesel
