Run No. 2110 – We draw a Blank.

Preamble:

Wanker made an appearance to kick-start his annual Home visit and Tonite was so excited that he also fronted. Elvis was agitated because there were only 10 Emu Export in the Trailer and the GM was hoeing into the stock.

The Run:

We knew that we were in for a treat as Blank is a bloody legend when it comes to setting runs (ask him) and so it proved to be. We enjoyed a 45minute tour of Hillarys with Wanker leading the charge. For the most part we had him out in front 150/200 metres ahead of the pack as he ran all the checks and falsies. So, keen was he that at one stage he nearly caused us to miss the drink stop only to be called to order by the Hare who had set up camp under a tree.

The Rundown:

After a series of 2-minute warnings initiated by the VM, the GM called for comments. Wanker said that it was a good set and awarded 7.35. Tonite enjoyed the walk and felt an 8 was in order. Elvis, ever a harsh critique, found the steep walkway a challenge and offered a paltry 6.5. The GM averaged the lot and came up with 7.4.

POW:

Wanker was anointed for causing the Hare undue stress at the drink stop.

Charges:

Bloo gave Tonite a drink for looking like he was going to charge someone and then not proceeding. Bloo then set his sights on Alias for standing in front of the light.

Mash:

We enjoyed a very tasty Chili con carne.

General Business:

Diesel announced the passing of his good and faithful hound Pepsi who succumbed after 16 years and approx. 200 runs.
