Run No. 2117 – It Rained On This Parade – 2018 AGM

Preamble:

At the 40th Anniversary Dinner on Saturday night, the then GM proposed that maybe it would be a good idea to locate the AGM to an alternate venue due to the Bureau of Meteorology predicting copious amounts of precipitation. Those more experienced and wiser heads advised that “It does not rain on a Monday night”, and promptly dismissed the idea. At 14:23 on Monday I received a phone call from the Dark One (an authority on all things dark & stormy) that “some people” were worried about the lack of shelter at Bells Rapids and we should consider relocating the AGM to Woolies’ house. Of course, realising this was a brilliant idea, I was left wondering why the then GM didn’t consider this idea. After a flurry of emails, text messages and phone calls, the change of venue was communicated to anyone likely to attend and for good measure many more that were unlikely to attend.

I arrived at Muchea at 18:20, only to find 8 other Bully Hashmen in attendance. Never it be said that Bullsbrook Hashmen are Fairweather runners / walkers. Not to be deterred Bloo had set a run using shredded paper to mark trail. Just as the brave few were setting out, Bloo received a phone call and I was immediately concerned that I failed to get the change of venue message out to a regular attendee. As it turned out Scumbag was in Perth and had checked our web page for the evening’s run. Not to be deterred, Bloo gave detailed directions on how to reach Muchea.

The Run:

As previously mentioned the Hare advised that we were on shredded paper and the trail started at the top of Wollies driveway and went in a northerly direction. The brave few who bothered to venture away from the shelter and into the wet backroads of Muchea, soon found the trail and set off. We quickly arrived at the first check and the trail headed straight back to the bucket. Soon after Scumbag turned up ready for a run, only to be disappointed when he found his fellow Hashmen all congregated on the patio, drinking and eating nibbles.

The Rundown:

The GM dispensed with calling for comments and decided to award the run a 7.8 for effort under difficult conditions.

Charges:

Pyro charged the RA with neglect of duty in that he failed to have the rain stopped, for the course of the run. Guilty DD - Bloo

Returnees / Visitors:

Scumbag was given a drink for turning up
