

The Run Down:

His Most Noble Majesty the GM requested a precise of the run first of all from the self-declared Greatest Bullsbrook Hashman of all time – Blank. “New territory, no drink stops, blah blah blah – 7.0”

For an unbiased opinion (if this is possible at Hash), Pyro was asked to place a score on the run. “Good run, no rain and the Hare kept the pack together – 7.5”

His Most Noble Majesty the GM, took a minute to deliver judgment on the run, “The arrows at times were a little far apart and the changing chalk colours were sometimes a bit confusing. A good test for the pack and overall a fair run – 7.0”
