Run 2128 – Shaddow @ Karrinyup

Preamble:

Would not have a clue what happened prior to the run, as was unable to get to Karrinyup until well after the run started. At the rate members are turning up to runs at present I would expect that this year may be the last hurrah for Bullsbrook Hash.

The Run:

All I can say about the run is that the pack was out for approximately 45 minutes.

The Run Down:

Due to their being no nibbles, Bloo called a circle as soon as all six attendees had signed the book.

The first Hashman called to offer their view point on the run was Boyd wonder, who was suitably impressed advising it was well set and even had a bit of bush. 7.8

Rooted was the next to be called to offer his view point. It seems that his voice was squeaky due to having his balls left on a fence. None the less he was impressed and offered 7.9

The last to requested to offer their view was Elvis, who was unimpressed that Blank had not gotten lost. 6.0

Now it was time for the GM to adjudicate and offer the only opinion and score that matters. Unfortunately it seems that there was a definite lack of Smoo on Smoo Blvd and scored the run at 7.0
