### Run 2130 - Rocky City Pink Breast Run @ Rockingham

#### Preamble:

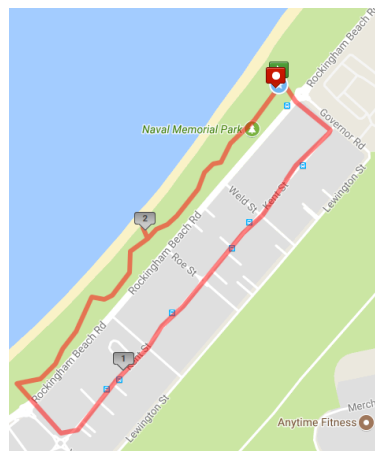

105 hashers enjoying a lovely balmy evening in Rockingham, with everything pink imaginable raising money for Breast Cancer Research in WA

Black U the Rocky City GM called a circle and expressed her pleasure at the turnout. We were then given a brief on the worthy cause we were raising funds for this evening and how the funds would be used.

We were then given instructions for the runners and walkers and advised that there was an arrow drawn in the sand, immediately prior to the drink stop.

#### The Run:

A great run and drink stop (although Screwy ended up in Point Peron or somewhere), still looking for the drink stop.

**Distance 2.55km**

#### The Rundown:

We were welcomed back again by Black U and there was a lively circle. We were given a short performance on the different effects Breast Cancer can have on families, partners, carers etc. Prizes for best dressed, raffle prizes, and the money board followed by a dinner and dessert.
