Run 2146 Annual Lost Souls Run by Viagra @ Woodvale

Preamble:

What a pleasant evening to remember those Bullsbrook Hash House Harriers that are no longer shuffling their mortal coils with us. Fifteen current and former members gathered to swap tales of those we were remembering on this cold but fine evening. The RA had obviously been in touch with Zeus the God of Rain, thunder, sky and lightning, to ensure weather wise nothing would go amiss with tonight's proceedings.

At the third stroke when it was 6:30 precisely, the GM called upon Viagra to give the run instructions. "You all know where we are going and the most direct route is the one you will be going on. There is chalk and it is on the path or road, under lights wherever possible. If you take a short cut like Joystick was fond of doing, you will be late for a drink"

The Run

We went straight to the Warwick Tavern, where jugs of VB were waiting in honour of Gwelphe. The hare managed to solicit some more funds from Fitzall and placed 15 mystery bets to further honour Gwelphe. After the race had been completed, not one of the betting slips was worth more than the paper they were printed on. We sang the club song and departed back to the bucket in the opposite direction from whence we came.

The Run Down:

Post the run it seemed that Blank was having hormonal problems, or the presence of his brother was causing family friction.

The GM called upon his subjects to give their consider opinions of the run and offer a score.

First was Boydwunder. "Well done, well marked 7.8"

Next was Concorde. "Awesome run, I was impressed" (NB This is an abridged version of a long-winded response.)

The third member to be asked was Fitzall. "Good effort -8.0"

The GM then advised of his thoughts on the run. "I thoroughly enjoyed this special run and considering the alignment of the heavens I am going to give the run a score befitting of the night - 7.0"

Elvis was given a DD for yakking whilst the GM was addressing his subordinates.

The GM the recited The Ode of Remembrance for those departed.

*They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them*

The members in the circle then had a drink of VB in the honour of the departed.

Prick Of The Week:

The GM was in no doubt about the recipient of the Phalanx this evening. He decided that if he stuck it in Blank's mouth it might shut him up and stop his whinging.

Charges:

RA – Dickvan Taking an umbrella on the run, thus casting doubt on the RA's ability to liaise with Zeus
DD – Dickvan
Diesel – Blank Blank told Diesel "F**k the club" over some long winded and convoluted matter. That the
RA could not make sense of.
Reversed DD – Diesel
Concorde – Blank Being a dopey useless prick. Reversed as the matter had nothing to do with Hash
DD - Concorde
