Run 2152 – Perth HHH @ Kent St Weir, Wilson

Preamble:

It was a potentially rather soggy Riverside Park, but nature was kind over this dry week. Despite the chill in the air we received a warm welcome from Perth Hash for their run at Kent St Weir. The south of the river location may explain why only six Bullsbrook members turned up. With thirty odd Perth HHH runners we were somewhat out numbered.

Just after 6:00 the Hares, Neon and Mastitis were called upon to let the runners what to expect on the run. The usual stuff about chalk, paper and flour. Instructions for the walkers and a warning not to wear your best shoes.

The Run

Out we went, on to the bridge over river, then into the bush, on the paths and along some wet and boggy areas, in through the back streets of Wilson, before returning to said bridge 45 minutes later. Despite the warning prior to the run, start my shoes remained reasonably dry. The runners came in awash with sweat after 70 minutes lamenting the lack of false trails.

The Run Down:

Horse had Tampax up to receive a down-down for an unruly dog, then rambled on about the Mother Hash 80th year (apparently Barefoot was a hit as he was born on same years the hash!), Emu told a great joke involving \$200 in coins with Budgie as the main actor.

Prick Of The Week:

N/A

Charges:

Certain supporters of the game of Rugby were admonished and given a drink
Chunder was called but took his own sweet time coming into the circle. It was wearing a shirt that had not been cleaned for 20 years, so was given a DD for dressing up.

General business:

Tampax was asked to say a few words, so thanked Perth for hosting the night and said that Bully looked forward to hosting then early next year.

The OnSec will be absent for the first two runs in October, so a volunteer is needed to write up the rag.

If you would like to attend the proposed WAGS Evening and Dinner on 30NOV18 at Gloucester Park, please advise Tampax, so a booking can be made.

Elvis, Bloo, Diesel, Boydwunder & Pyro were given a visitor's drink
