Run 2153 – West Coast @ Darch

Preamble:

As I did not arrive at the run site until 6:40, I have no idea about what happened prior to the run.

The Run

Absolutely no idea where the run went or what the terrain or locals were like. All I can say is

The Run Down:

It seems that some miscreant from the Old Peoples Home had rubbed out the chalk on part of the run causing pandemonium amongst some of the runners, who decided to head straight home. The more tenacious runners it seemed found the trail and completed the run.

Prick Of The Week:

N/A

Charges:

.There were many mostly on the West Coast side of things, but I cannot remember who or what.

General business:

The OnSec will be absent for the first two runs in October, so a volunteer is needed to write up the rag. The WAGS night proposed for November has been postponed until next year

Visitors:

Returnees:

Raffle:

West Coast had their raffle, but no one from Bully won a prize

Song:

We sang our song with West Coast and West Coast sang their song with Bullsbrook
