### Run 2158 Rooted @ City Beach

#### Preamble:

Usual turnout by Bully Hash for this evening's run the number of attendees hit double figures with 10 runners. The Fremantle Doctor had arrived with gusto, causing most to reach into their Hash Apparel for something warm to wear whilst traipsing the streets of City Beach.

The customary briefing by the Hare was called for at the correct time according to the GM. "You are on chalk". Fitzall wanted to know what colour chalk, so that Orig would not get confused. "There is no paper, no flour and no hills." In an order to keep "The Master Setter" quiet for 15 seconds, it was also announced that there would be a drink stop.

#### The Run

Off the pack went off in the direction indicated by Rooted. We were taken on a grand tour of the poorer parts of City Beach, first off skirting the walk path adjacent to Challenger Pde, before heading inland via Bodim Ave to Brankstone Ave and some of the swankier parts of City Beach. From there the pack headed west again, with mutterings of "Where is Rooted taking us." The pack soon headed north to arrive at the drink stop out the front of the City Beach Tennis Club. Not wanting to be debarred from the club, Rooted decided to serve up a concoction of green ginger wine and dry ginger ale, a short distance from the club entrance rather than invite his fellow Hashmen into the clubrooms. We then skirted the tennis club, possibly for the same reason as the location of the drink stop. The trail then turned east again, continuing the grand tour, before ending up at Oceanic Drive. It was at this point Blank became confused and believed he was following trail and headed further south, but Alias found trail and called, so the pack followed the most credible call. The pack proceeded on towards the coast and home on the walk trail that we set out on. All be it from the opposite direction.

Distance 3.92km Duration 56:27

We finally found the last Hashmen that fell asleep or became lost on a run

## **The Run Down:**

After checking that number of Hashmen that signed back in the book was equal to number signed out at the start of the run and the obligatory consumption of nibbles, the GM called a circle and proceeded to gauge opinions of the run.

Orig: "From the back off the pack it looked good."

Boydwunder: "It kept the pack together, good effort"

Elvis: "A good run until the Drink Stop"

Fitzall: "A good effort. The Hare was true to his word about the markings and hills."

GM: Interesting use of the territory, ample false trails and checks. I would like to give it the score of the year, but he is not getting it - 7.0"

## **Prick Of The Week:**

## **Charges:**

Blank – Tampax      Short cutting and calling on, with a request for Fitzall to back him up on the charge. The GM intervened with the view that the charge was "total shit" and the on was called by Alias and Fitzall would not back up the charge.      Reversed

GM – RA      Disrespect for Hash Property, the Pyro was wearing his windcheater back to front  
Guilty

## **General business:**

Diesel would like to organise a working bee to sort out the trailer.

Diesel requested a reason for Bully Hash not attending Hamersley's 40<sup>th</sup> Birthday celebration next Monday. The On-Sec & Fitzall duly informed him that until last week at the Awesome Foursome run, no mention had been made in all the correspondence sent out, of any event to be held on that day. This lack of notice combined with the date having been set aside for our Annual Melbourne Cup Run with West Coast, meant we would not be attending. However, if anyone from Bullsbrook Hash wishes to attend, they are free to do so.

Fitzall attended Rocky City's 1400<sup>th</sup> Run and advised that it was a good weekend.

# FOOD IDEAS

## HANDY HINTS

### Ring-pull tins are preferred!

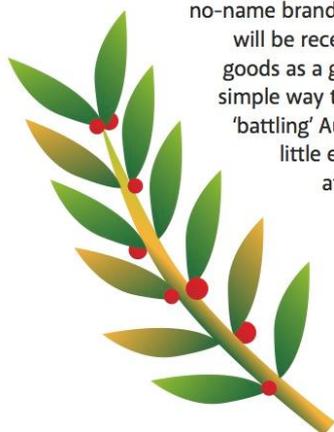

Tins with ring-pull lids are most helpful, as not all people receiving the food will necessarily have access to a can opener.

### Long expiry dates please
